MULVANE SCHOOL DISTRICT RETIREES

YOU WILL BE MISSED!

Mr. Paul Howe will be retiring from Mulvane USD 263 at the end of this school year. He has been in education 37 years with 25 of them in Mulvane. He has always taught instrumental music for two years, he also taught middle school choir. Paul has also been the Girls Golf Coach for the 18 years that Mulvane has had the program.

His most special moment during his career was not in music, but when former students write him letters thanking him for the impact he had on their lives.

When asked what he will miss most about Mulvane, he said it is the sense of family with the staff and the students. His parting words to his friends and colleagues are that in spite of the ups and downs, Mulvane is still the greatest place to raise a family!

After working 32 years as a para - all at the middle school - Sandy Page is retiring at the end of this school year. Her dedication to and patience with the students will be greatly missed and the building will not be the same without her.

Sandy has enjoyed her time getting to know all the students and staff. "I really liked the faculty and I enjoyed working with the kids," she said.

After retiring, Page is planning on spending time hanging out with her grandchildren and traveling. After her husband retires in December, they will begin planning for this next exciting phase of their lives.

To say that Cathy McElroy will be missed is an understatement. Her enthusiasm and passion for teaching has been invaluable to the district for over 30 years, but she will be retiring at the end of this school year. Her positive guidance, support and encouragement have touched many students throughout her career.

She started in the district in 1986 and over the years has taught all over the district. McElroy currently is the district's gifted facilitator and also teaches eight grade Spanish. "I really loved whatever teaching position I was in. I don't know what I'm going to do with myself after I retire because I have been a teacher since I was a teenager," McElroy said.

Her retirement plans include substituting for her daughter, who is an ECH special educator, having more time for crafts and reading, and spending time with family and grandchildren.

Kindergarten pre-enrollment for the 2017-18 school year is underway! Stop by Munson Primary and fill out pre-registration paperwork. Paperwork **MUST** be returned by **May 5, 2017** in order for Official Enrollment to be completed online in July!

Be sure to bring with you:

- ⇒ Original Birth Certificate
- ⇒ Immunization Records
- ⇒ Proof of Residency
 - * Utility Bill (with name and address) or Lease Agreement

Kindergarten and New Student Parent REMINDER!

1. State of Kansas requires immunization records on all new students and first time entry students prior to first day of school (including Pre-K and Kindergarten).
2. State of Kansas also requires a Health Assessment Form completed by your doctor for all first time entry students prior to first day of school.

Enrollment Reminders

- At the time of enrollment, take a copy of your child's immunization records to the school. Must be done prior to the first day of school.
- At the time of enrollment, take a copy of your child's health assessment form to the school. Must be done prior to the first day of school.

How do you know if your student is current, and if the school has what they need?

- Call your doctor to see if your child meets immunization requirements for their age.
- Call the school nurse to see if they have received your immunization and health assessment records.

Immunization Requirements for the 2017 - 2018 School Year

K.A.R. 28-1-20 defines immunizations required for any individual who attends school or a childcare program operated by a school. Below are the requirements for the indicated school year. Please carefully review the requirements. The usual number of doses required are listed; however there are exceptional circumstances that could alter the number of doses a child needs. If you have questions about your child's immunization status, contact your child's primary care provider or local health department.

Proof of receiving the required immunizations must be provided to the school prior to the student attending the first day of school.

Title I Family Night at Munson Primary

Title I staff from MPS and MGS were at the event. Tables were set up with math and reading program information along with ideas for the summer. There was a table with computers set up for parents to find helpful websites to lend support for their student.

The National Honor Society students from the MHS served lemonade and cookies to all of our Title I guests.

Two students from each building won the basket drawing!

Congratulations!

Cerenity A. - MPS

Kansas All-Star Scholars Fund

Kansas All-Star Scholars Fund approved an Arts Grant for nearly \$7,500 to our MGS Music and Art Departments. Fifty percent of these funds were approved for new band instruments and 50% was allocated to Fine Arts.

You can imagine the excitement for Mrs. Kraft when her new kiln arrived for the MGS Art students and the look in Mrs. Dayton's eyes when her large shipment of new band instruments arrived for her MGS Music students. This new larger kiln will be perfect for the clay projects that her students create each year at the grade school.

Mrs. Dayton is excited to introduce these new instruments to her students and we anticipate a variety of new songs in her music programs.

We especially thank the Kansas All-Star Scholars Fund for partnering with us on this project and for the way they continually support the young students in our community.

MGS Buddy Bench

The MGS Buddy Bench that was made by our talented MHS carpentry students is painted and ready to be installed on the MGS Playground. As you can see from the photos, the Tauer/Adamson school family students put their love into the bench as they painted and stamped their hand prints in our school colors! This Buddy Bench will be a legacy on the MGS Playground for years to come.

We look forward to seeing all the friendships that are fostered during recess because of the presence of this buddy bench. A big thanks goes to our MHS Woods Department, our School Family Leaders that work with our students every Monday morning, and for the students who worked hard to create a bench to help eliminate loneliness at recess.

This was an awesome example of teamwork...MHS Carpentry students invested their time to build and complete the wood bench. Arrangements were made for carpentry students to present the bench to the Tauer/Adamson school family students in March. Students from these two school families put in their labor to place the finishing touches on the bench and our maintenance staff will be securing the bench on the playground, where it will be used on a daily basis while school is in session. What an example of how as a “family” a group of high school students, a teacher and a school family leader, grade school students, and maintenance staff can work together to make something pretty special happen!

Big Truck Night

Everyone had a great time at the Big Truck Night. There were emergency vehicles, a big yellow school bus, a red combine, a Cox truck, a city utility truck and the Derby Smoke House.

The Optimist provided and cooked hot dogs for all those who attended. There were over 100 hotdogs eaten that night. The sides were provided by Mulvane parents.

Music Appreciation at MPS

Mr. Dean organized a music appreciation lesson at Munson. "Blues around the World" was presented by Little Joe McLerran from Tulsa.

Thank you Mr. Dean!

William Allen White Children's Book Award Celebration!

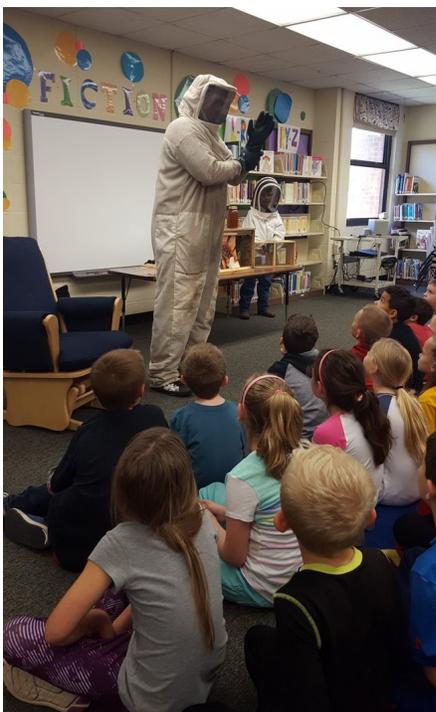

Students from MGS discussed their trip to the William Allen White Children's Book Award Celebration at ESU with the Board of Education

The Board of Education approved attending the event in 2017.

Thank you!

Britt Hopper, a local beekeeper, gave a presentation to 2nd graders at Munson about the importance of bees on our planet.

Hoops for Heart 2017

This year's Hoops for Heart Campaign raised \$3500.00. At the rate of "\$50.00 saves a heart," Mulvane Grade School and the Mulvane Community saved 70 lives with this year's campaign!

Since the community has been involved in this program (starting in 1996), we have raised almost \$170,000, making a difference in 3400 lives!

Camp Invention® is coming to Derby Unified School District 260!

Imaginations get their rocket fuel at Camp Invention!

An exciting, weeklong summer adventure awaits children entering grades **K-6th** with activities that explore connections between science, technology, engineering, and innovation while sharpening their 21st century learning skills. Camp Invention allows children to experience real-world problem solving, creative thinking, invention, and teamwork while rotating through several fascinating modules inspired by the Inductees of the National Inventors Hall of Fame. **Swaney Elementary School** is pleased to offer the nationally acclaimed program beginning on **June 5, 2017** with **Kendra Sweet** serving as Director of the **Launch** program!

Young innovators will:

Invent their own duct tape creations and pitch them to mock investors

Explore a distant new exoplanet and design inventions to create the next Earth

Launch water rockets, build Bubble Blasters, and engineer giant castles

Create their own personal, ultimate Spy Gadget Alarm Box by taking apart and upcycling everyday machines

All activities give participants the opportunity to explore, discover, and achieve while having fun!

Local educators will facilitate program modules and enthusiastic high school students will serve as Leadership Interns ensuring that one program team member is in place for every eight children.

Receive \$15 OFF the base price of \$225 by registering on or before May 1, 2017 using promo code Discover15. Registration, without a discount, is still available after May 1 until the first day of camp. Every registration includes a complimentary Camp Invention t-shirt. Availability is limited, so visit www.campinvention.org or call 800.968.4332 to secure your child's spot today!

National Junior Honor Society Helping Members of the Community

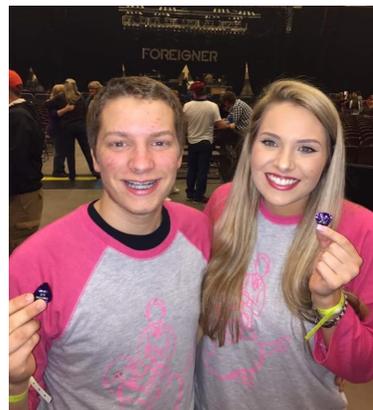

The MMS National Junior Honor Society (NJHS) members had their group service projects in April.

Eighteen 7th grade members could be found helping Mrs. Hilgers clean the courtyard and other landscaping areas at the school. They were also weeding, planting flowers, mulching, and cleaning out a small pond in the courtyard.

When weather permits, twenty 8th grade members will be helping the Mulvane Senior Center by going to area senior citizens' homes and painting their house numbers on the curb. This helps Mulvane Fire, EMS, and Police find the homes much faster in the event of an emergency.

Esprit de Corps was invited to sing at the Foreigner Concert on Friday night, March 31st at the Kansas Star Casino. The students joined the band on stage singing the number "I Wanna Know What Love Is." Foreigner has been working with schools for the past seven years. Esprit students sold Foreigner CD's and raffle tickets before the show for a guitar drawing at the end of the concert. All the money raised will go to the Grammy Foundation which helps keep music programs in the schools. After the concert, Foreigner donated \$500 to the Mulvane vocal music program. This was a once in a lifetime experience for the students and a great classic rock concert!

WILD CATS

Circle of Friends

MHS Circle of Friends went to the Derby Bowling Alley and Tangyanika Park this semester. These opportunities were provided by our grant from the Mulvane Education Foundation.

Mulvane District Art and Technology Show

On Friday, May 5th, the Mulvane Visual Arts Departments, in conjunction with the Technology Departments of USD 263, will celebrate their students' achievements by holding a District Art and Technology Exhibit. The exhibit will be held at Mulvane High School from 6:00 pm to 8:00 pm.

Art students in grades Kindergarten through High School, and the Middle and High School technology students will be proudly displaying well over 1500 combined pieces of art, ceramics, woods, metals, and many more mediums.

The instructors and students proudly invite families and friends to attend for an enjoyable evening of fine art and refreshments.

Student Council

Eleventh Annual Community/Senior Jazz Luncheon

The Community/Senior Jazz Luncheon was a great success! There were about 50 community members that enjoyed great music and food.

Thank you to the MHS Student Council and Mulvane Senior Center for making this day an enjoyable event!

MHS Summer School 2017

Mulvane High School will host Summer School this summer for students who need to make up credits. Classes offered will include English 1-4, math classes, history classes, and science classes. The dates of summer school are June 6 to June 23. All students will attend an orientation on Tuesday, June 6, and classes will begin on June 7. Attendance is required at all sessions.

Summer school hours are from 8:30 to 10:30 a.m. for one semester of English or social studies. The second session is from 10:30 a.m. to 12:30 p.m. for one semester of math or science. Students who need a full credit will need to attend from 8:30 to 12:30 Mondays through Fridays. The fee for a .50 credit (1 semester) is \$150, and the fee for 1.0 credit (2 semesters) is \$230. The reduced fee for students who qualify for and receive free/reduced lunches is \$45 for a .50 credit and \$69 for 1.0 credit.

Parents of students who failed a first semester class will receive letters and summer school forms. These forms should be returned to MHS with payment. Students who fail a second semester class may contact the high school before the June 6 orientation day to sign up for summer school.

Students who do not complete summer school will have courses placed back into their schedules for the next school year. In some cases, this will require students to double up and take more than one year of a course at the same time. This also eliminates elective options as required courses must be included in schedules before electives are considered.

National Speech & Debate Association Award!

We've been notified by the National Speech & Debate Association that Tori Jansen, Desmond Williamson, and Holly Carter were awarded the Academic All American award.

The coveted award recognizes academic rigor, competitive success, and personal excellence. From more than 141,000 student members of the National Speech & Debate Association, fewer than 500 students earn the Academic All American award every year. This tremendous accomplishment places these students among the top half of one percent of all student members across the country.

Congratulations Tori, Desmond & Holly!!!
