Mulvane School District Retirees 2017-2018

Denise Bagby will be retiring from Mulvane at the end of this 2018 school year. In 1999, Denise started teaching first grade in Mulvane. Bagby said, "I have always enjoyed teaching the kids to read and discover that love for reading." When asked what she will miss most about teaching, she stated that

she will miss watching the learning and how much the kids learn and grow from the fall until the spring. She said, "I love working with the kids one on one and hope to do that through volunteering." Her retirement plans include spending time with her grandchildren, traveling, catching up on her scrapbooking, reading, and yes, even substitute teaching.

Mr. Bill Dorsey has been teaching for 45 years. Eighteen of those years in Mulvane. He quit teaching for a short time and was an Engineer for Cessna. It didn't take him long to discover that he enjoyed teaching much more. The rapport with the students, staff and atmosphere is what Mr. Dorsey enjoys most. He plans on catching up around the home, spending time with his kids and grandkids and whatever else they decide to do. (Sounds like a great

plan to me).

Mrs. Joyce Harting is retiring from USD #263 at the end of this school year. She received her Bachelors of Music in 1971 and Master of Science in Counseling in 1986 from Fort Hays State University. Mrs. Harting joined USD 263 in 1996 as the counselor. In 2006, she moved to an Assessment Coordinator position at the district office, then later became the Director of Curriculum and Instruction. Mrs. Harting has touched countless lives with her caring heart, counseling skills, and curriculum knowledge. She has served our district for 22 years. Congratulations, Mrs. Harting - You will be missed.

Luanne Barnett has been with the district for 30 years all at the Mulvane Middle School. Her dedication and patience will be greatly missed. She plans to explore options to stay busy and enjoy being a farmer's wife. She also looks forward to spending time enjoying her great-grandbaby.

Please join us in celebrating her retirement on May 16th at 3:30 in the MMS Commons.

MPS Art Show

Munson Primary has been working hard on their projects for the art show. There were 200 pieces featuring a variety of art from kindergarten, first, and second grade. In the classroom, we have been working on many things. Kindergarten has been exploring air dry clay, alternative painting techniques, and learning about contemporary artists like Chris Uphues and James Goldcrown. First grade has been learning all about printmaking and the process of it. They designed their own prints out of Styrofoam and created a greeting card. Second grade has been quite busy learning about perspective and Vincent Van Gogh. They have also started a weaving project and will be creating trees and mini blankets.

Mrs. Hansel's 2nd grade class and Mrs. Witt's Kindergarten class have been learning about bugs. The students worked together to create models of bugs. Our classes have been "buddies" all year. The students enjoy different activities together on Fridays. Learning about bugs is one of them. It's a great opportunity for both grade levels to interact and mentor.

Touch a Truck Night

Mulvane Parents as Teachers and Mulvane Public Library teamed up to host "Touch the Truck Night." We had a variety of farm vehicles, emergency vehicles, city vehicles such as a bucket truck, a military truck, a trash truck, school bus, and RV, and a Smokehouse for our kids and parents to explore and touch.

The Optimists provided hot dogs and buns with some expert grilling from some of their members. The Mulvane Public Library and Parents as Teachers provided books, chips, drinks, and paper goods.

It was a great community event enjoyed by lots of adults and children in Mulvane. The Mulvane Public Library and Parents as Teachers are very thankful for all the support that we had at this event.

Title 1 Parent Night

With district Title 1 teachers present, Joyce Harting, District Curriculum, Instruction & Assessment Coordinator, gave a brief explanation of what our Title 1 teachers do and how the program works.

Baskets and tickets to Exploration were raffled off.

From Munson Primary, we had Wyatt J. winning 2 tickets to Exploration Place. Arabella M. won the basket full of fun and educational material. Adaline M. won the other set of tickets to Exploration Place and from the Grade School, Breann N. won a basket.

It was apparent that the Title 1 Parent Night was a great success!

MHS AfterProm 2018

MHS AfterProm 2018 was well attended by the student body. We had approximately 310 students in attendance to watch Mike Breeze, the hypnotist. Twenty two students attempted to “go under”. Of those 22, 19 did go under and this year (for the first time ever) we had about 5 more go under in the audience. The show lasted about an hour and 10 minutes and after the show we gave away prizes in the Commons. This year we gave away a record 203 prizes to the attendees. Mrs. Heckart and Mrs. Banzet GREATLY appreciate all the donations from parents, staff and businesses in Mulvane and Derby. We could not do it without you.

Mulvane District Art and Technology Show

On Friday April 13, the Mulvane Visual Arts Departments, in conjunction with the Technology Departments of USD 263, celebrated yet again another successful night of showing their students work. Art students in grades Kindergarten through High School, and the High School Technology students proudly displayed well over 1500 combined pieces of art, ceramics, woods, metals and many more mediums. The show was very well attended this year.

Two seniors this year, E. Kasperek and T. Roy, displayed their Senior art boards for the public to see. Thank you ladies for your commitment and dedication through your years attending the Mulvane School District. Best wishes as you strive to further your Education.

The MHS vocal department participated in Regional Solo and ensemble at Goddard Eisenhower High School on April 14th and finished with twenty-five “I’s”, fifty-two “II’s” and one “III”. Congratulations to the Women’s Ensemble, S. Copeland, and R. Roderick for qualifying for State Solo and Ensemble which will be held at Larned High School on April 28th. The Women’s Choir participated in State Large Group on April 19th at Winfield High School. They received a “II” excellent rating.
